

# Statement regarding the future BGC Aurora site:

The Boys & Girls Clubs of North Central Illinois remains dedicated to providing safe spaces, enriching programs, and caring mentors for local youth. As we continue expanding in Aurora, we are excited to develop a new clubhouse facility. After completing our due diligence on the land in Garfield Park, we have determined that this location will not be the site for construction. We are grateful for the support of local officials and the City of Aurora as we work together to identify the ideal location to serve more than 300 Aurora youth each day and help them build Great Futures.
