Industry Clubs: Investing in the workforce of tomorrow.

WHAT ARE INDUSTRY CLUBS?

Industry Clubs are a bold new workforce development initiative for teens ages 12-18. Through immersive 8-10 week career-focused programs, teens will learn through hands-on experiences that include:

- Paid workforce training and experience
- Expert instruction in high demand fields like health care, manufacturing, cyber security and IT
- Wraparound supports including financial literacy and soft skill development
- A final project or industry recognized credential that leads to employment or further training

5 YEAR IMPACT

- 500 career-ready trained youth
- 400+ certifications earned in high-demand fields

TEEN ENGAGEMENT = LONG-TERM IMPACT

- Increased graduation rates and post-secondary enrollment
- Decreased involvement in risky behaviors
- Stronger connections to local employers
- Long-term economic mobility

TEEN ENGAGEMENT = LONG-TERM IMPACT

Your partnership enables BGCNCIL to:

- Launch and sustain multiple industry Clubs annually
- Hire professional trainers and provide essential certifications
- Compensate youth for their time
- Scale the program across our region
